

LETS

LAW ENFORCEMENT TRAINING SIMULATOR

The Law Enforcement Training Simulator (LETS) offers valuable training for your personnel in the area of proper firearms use and use-of-force issues. Our LETS system is available in a mobile trailer which is brought to your location, or we can provide classroom type training with our portable training unit at your location. Our firearms/use-of-force team comprised of accredited law enforcement personnel whose experience spans local, county and state backgrounds. This training is offered to all members at no additional cost.

Our LETS system is an interactive theatre-style simulator experience that puts you right into the action. With over 500 scenarios we can provide the training that will meet the needs of your personnel. The virtual reality simulator provides law enforcement and security personnel with difficult, challenging and realistic scenarios.

The LETS is equipped with a variety of fully functional modified firearms, including:

- M-4 Patrol rifle
- Handguns: Glock 22 & Smith & Wesson M&P
- OC spray
- Taser X26 – X2

Attendees are placed in a variety of situations demanding split-second thought processes, requiring de-escalation skills and proper use of use-of-force skills on an escalating situation.
