Records Requested: Please describe the specific records you are requesting and any additional information that will help us locate said records (dates, names, etc.). Please indicate which records you wish to be photocopy (fee for photocopies is \$0.15 per page). Otherwise, the records will be made available for your review. If you require the CIAW to make copies for you and mail copies to you, there will be a charge in addition to the per page copy charge of actual postage costs. There will also be a scanning fee of \$0.20 per page to convert from paper to electronic format. The Revised Code of Washington states that records must be made available in a reasonable length of time.

After requested records are retrieved, I would like to:

- Inspect the documents at Clear Risk Solutions prior to copying or scanning.
- Request the documents be copied and I will pick up the copies and pay the copy fees.
- Request the documents be sent to me electronically to the email address written above.
- Request the documents be mailed to me and I will pay the copy fees and the mail costs.

I hereby certify on oath and under penalty of law that if a list of individuals is obtained through this request for public records I will not use that information for commercial purposes. RCW 42.26.070 (9)
